Update #1: He is now trying to ban evade using StreamElements LOL, make sure to report his recent StreamElements accounts [here](#).

Beginning

Bill Jensen, also known as Shane Boyle in real life, is an American streamer and actor from Pennsylvania who is well known for his "Christianity Hotline" in which he converts people in the hotline and lets people donate videos through "mediashare", which led to pornographic content and graphic content being played on stream which he is well known for raging at.

He first started off as a gaming streamer by the name of CrazyManSRB. However, this would all change on October 4th, 2017, where he first started his "Christianity Hotline". He started to go more and more viral around 2019 when he started the hotline on Instagram, and did his very first "stream" in 2018.

He started to do more and more streams on his computer in 2020, and in-turn his mediashare system became popular where pornographic and graphic content were played on it. However, the first extreme troll, by the name of Medic7, came in.

Medic7 & The TriHard Community

Around early 2022, many figures from a community by the name of the "TriHard Community" started to send videos of Bill containing pornographic content. However, in July 2022, a figure

by the name of “Medic7”, who was a former moderator for a streamer by the name of “OddKast” started to send bait-and-switch videos containing gore, which was sent to Bill.

These videos would contain a graphic video of a man known as “Ronnie McNutt” committing suicide on video, in which once it was donated, Bill would immediately end the stream. These videos would also play during when Bill’s child audience was watching.

Bill’s Child Audience

Many people (who are anonymous in this document) have spoken out that they have watched Bill at around the age of 10 to 12. Many children (with some looking 8 to 12) have also commented on Bill’s videos and streams.

The CSAM Incident

On January 16th, 2024, a video of CSAM was donated to Bill while Bill’s mods kept telling him for **over 20 minutes**, and Bill still ignored his mods. This resulted in major panic. Someone had also allegedly played audio of a baby crying, before the audio cut to someone saying “you just played child porn on your stream”.

There are many eyewitnesses of

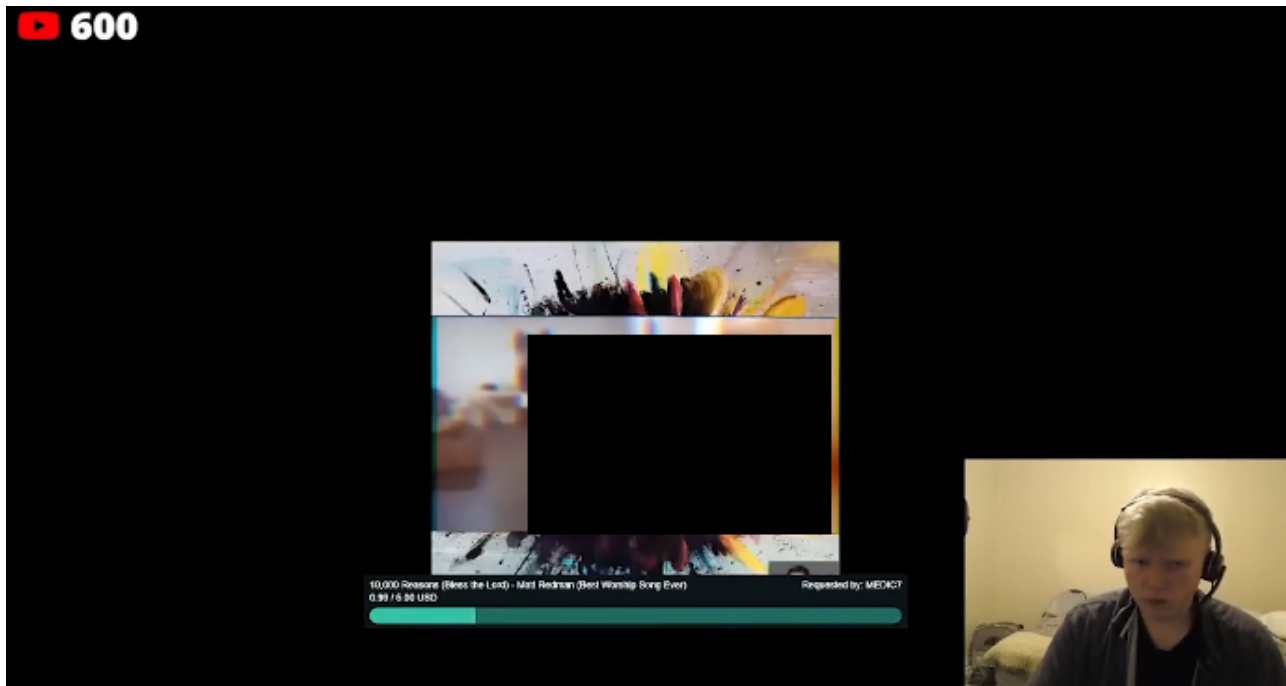

Bill’s Fanbase Hiding the Truth

If Bill is called out by anyone, his fanbase usually attempts to hide the truth and call them “sinners”. Bill has also tried to hide the truth many times in the past.

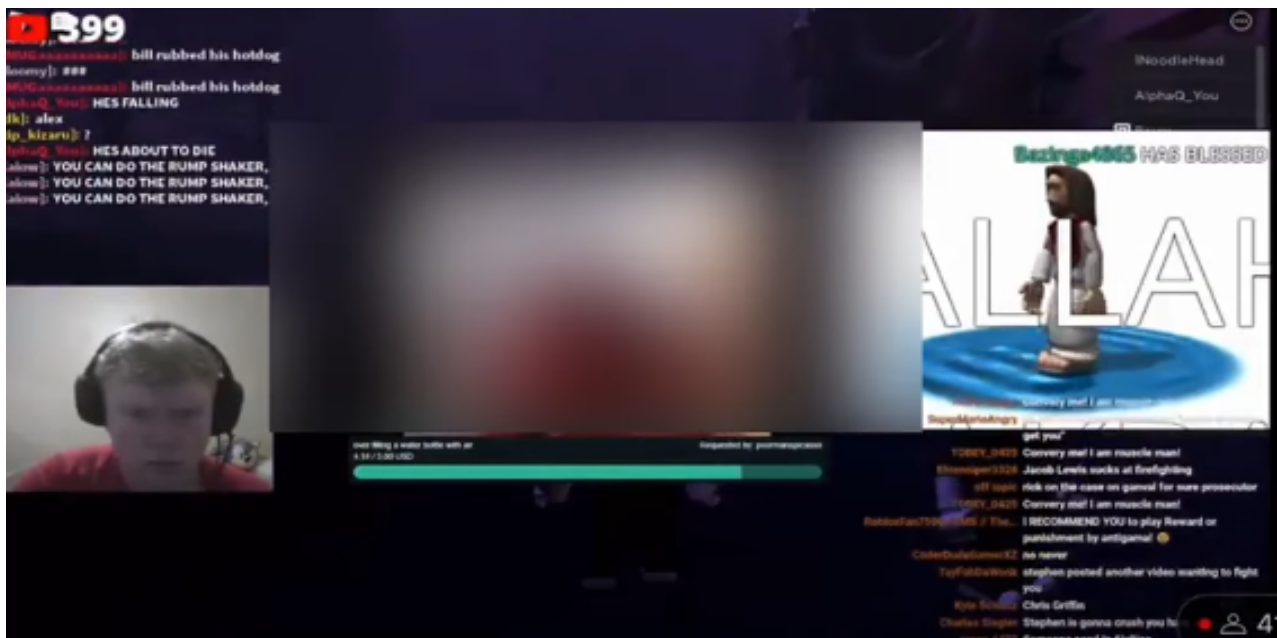

Evidence

Now we get onto the fun part - the evidence! Major content warning as this contains **censored pornographic content and censored gore**.

Evidence of Bill not caring about the situation

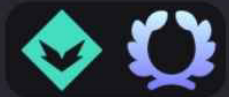

DarkPhoenix accidentally sent his conversation with Bill one time, where he says “who cares” about the whole situation.

Ye I was 12 when I saw him

2019 when I got introduced to gore

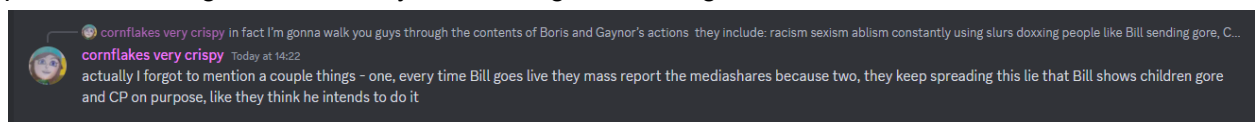

Also semi-unrelated, but this (<https://files.catbox.moe/2da0pp.mp4>) is a video of Bill admitting that there are kids watching his stream. However, just around a few seconds later, a bodycam shooting video pops up.

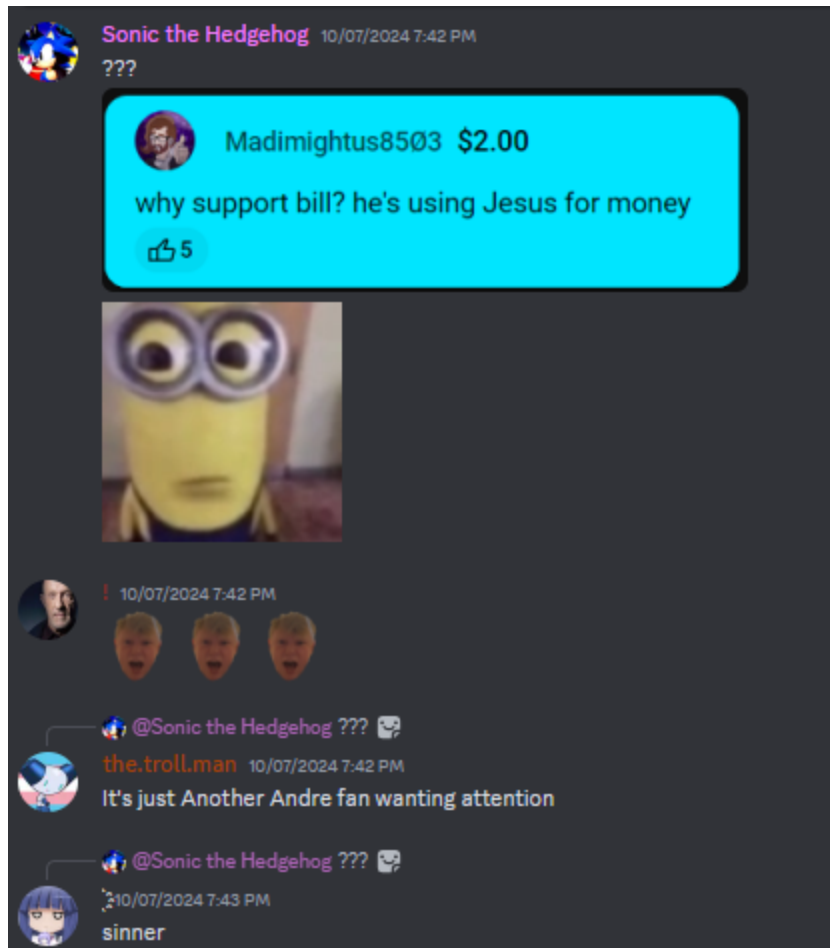

Evidence of Bill's fanbase lying and hiding the truth

Citation: There is no proof at all that Boris and Gaynor have done any of these things from the person accusing Boris and Gaynor of doing these things.

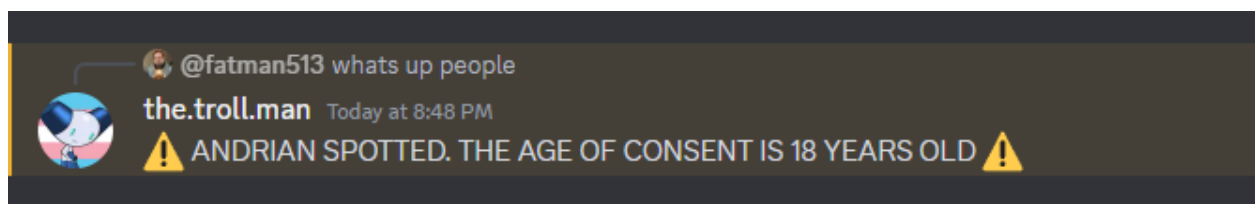

Citation: We have evidence that Bill let CSAM and gore go through. See the Medic7 evidence sections and the CSAM incident section.

Evidence for the CSAM Incident

And finally, we get here! The evidence that you have waited for.

See this video (https://www.youtube.com/watch?v=-Q_3DdlqCp4) as it's extremely important to know.

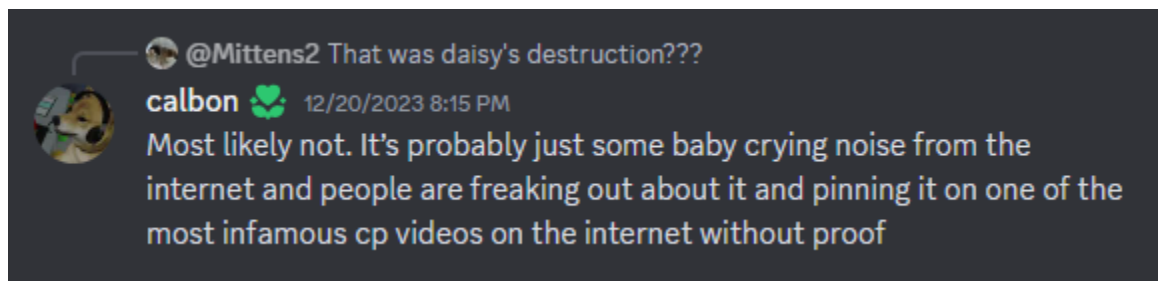

For the baby crying, here's a few pieces of standing evidence for it:

Conclusion

In conclusion, Bill and his fanbase are mostly hypocritical people who try to hide the truth, and do not care about any of his audience. Bill along with his mods will also ban anyone who calls them out.
